Universal DC Adaptor 100Watt

- Blue lighted **lcd display** with realtime voltage indication
- Slim design (only 25mm fat!) fashionable and smart appearance.
- **High efficient** up-to 90%
- Grounded design for better safety measures
- **Automatic voltage selection**
- Adopt SCM computer controlling technique to make sure working precision.
- Additional power output for USB devices
- **9 tips** cover most note/netbooks (**eee-pc tip included**)
- Complete circuit protection
- Adopt ABS & PC materials for the housing, generates safety and environmental friendly.
- Automatic computer electrical overload and high temperature overload aging test before shipment to ensure safety.

28 Tips available for maximum compatibility

Check www.recom.nl for more information!

Tips included in package:

	N04	18,5~19V CompaQ / HP / Asus / NEC
	N06	16V Panasonic / Fujitsu Siemens / Sony
	N07	18~19V Acer / BenQ / Dell / HP / CompaQ / IBM / Toshiba / Gateway / NEC / Delta / Lite-On / Epson
	N09	19~19,5V Sony / Fujitsu Siemens
	N13	15V Toshiba / NEC
	N14	15~16V Delta / Acer / IBM
	N18	19V Acer / Lite-On / NEC
	N19	19V Samsung
	N20	19V Asus <i>eeePC</i>

Additional available Tips :

	N01	18,5V~19,5V Asus / Sony		N16	22V Sharp
	N02	12V HP / Asus		N17	18,5V HP / CompaQ (bullet)
	N03	20V Lenovo / Delta / IBM / LG / MSI / LS		N21	18,5V Apple (support: Magnetic, LED) <i>Provides power and charges battery!</i>
	N05	19V HP / CompaQ		N22	19,5V Dell
	N08	12V Acer (LCD) / BenQ		N23	18,5V CompaQ / HP
	N10	14V Dell / Samsung		N24	20V Lenovo / IBM
	N11	19~20V Acer / Lite-On / Delta / Toshiba		N25	24V Apple
	N12	12V Samsung / Kodak		N26	24V Apple
	N15	16,5V Apple (support: Magnetic, LED) <i>Provides power and charges battery!</i>		N27	20V Dell (3pin)
				N29	14V Samsung
